2 blz.en 1 bijlage gedagtekend

01/jan/2018

Pour le Directeur général a.i.,
Par suppléance,
Voor de Directeur-generaal a.i.,
Bij plaatsvervang.

Patrick Vanheyste,
Directeur

3. INTRODUCTION

Cette circulaire a pour objectif de fournir les points de contact de la Direction Technique de la Direction Générale du Transport Aérien (DGTA).

4. MISE EN OEUVRE

Cette circulaire est applicable à toutes les personnes qui désirent contacter la Direction Technique. Ceci concerne les domaines suivants : la navigabilité et l'immatriculation de tous les aéronefs, la reconnaissance des entreprises de gestion du maintien de la navigabilité (CAMO), les organismes de maintenance (AMO) et les organismes de production (PO).

5. GÉNÉRALITÉS

En annexe 1, vous trouverez les coordonnées des différents points de contact de la Direction Technique. Veuillez utiliser, de préférence, les adresses E-mail spécifiées par domaine d'activité. Ceci garantira un meilleur service dans le traitement des dossiers ou des questions soumises.

3. INLEIDING

Deze circulaire heeft als doel de contactpunten binnen de directie Techniek van het Directoraat generaal Luchtvaart (DGLV), te verduidelijken.

4. TOEPASSINGSGEBIED

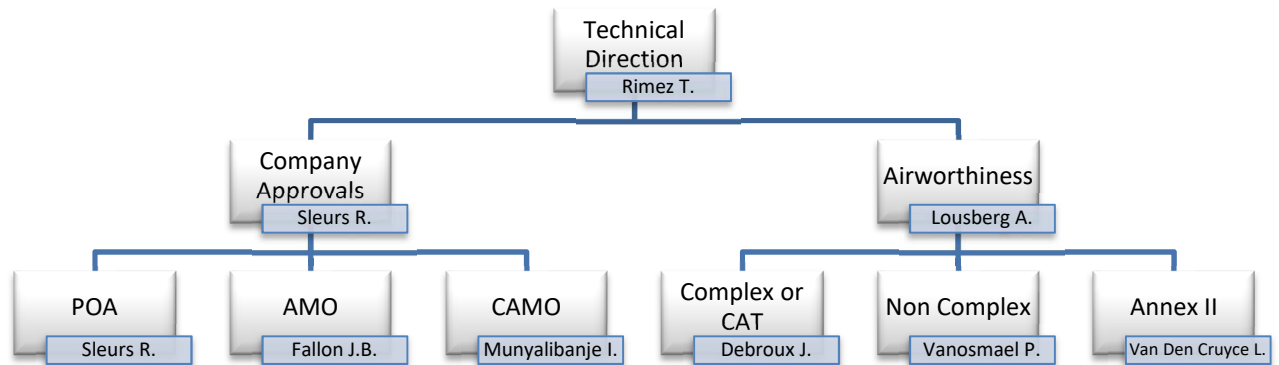

Deze circulaire is van toepassing voor alle personen die contact moeten opnemen met de directie Techniek. Dit betreffende de luchtwaardigheid en registratie van alle luchtvaartuigen en technische bedrijfserkenningen in het domein van permanente luchtwaardigheid (CAMO), onderhoud (AMO) en productie (PO).

5. ALGEMEENHEDEN

In bijlage 1 kan u de contact gegevens voor de Technische Directie terugvinden. Gelieve zoveel mogelijk de opgegeven specifieke e-mail adressen te gebruiken per domein. Dit garandeert een betere opvolging van de ingediende dossiers of vragen.

BIJLAGE 1 / ANNEXE 1

CONTACT DETAILS TECHNICAL DIRECTION

Technical Experts

Technical Direction

The Technical Directorate is responsible for all Production, Maintenance and Continuing Airworthiness Management Organisation approvals and the Airworthiness monitoring of the Belgian registered aircraft.

Company Approvals

The Company Approvals department is responsible to:

- issue, change, suspend, limit and revoke certificates;
- review and approve company manuals;
- survey the companies that have obtained a certificate;
- ...

in the following areas:

- Production in accordance with PART 21 F and G;
- Aircraft Maintenance in accordance with PART M Subpart F and PART 145;
- Continuing Airworthiness Management in accordance with PART M Subpart G.

Airworthiness

The Airworthiness Department is responsible to/for:

- (De-)Registration of aircraft in the Belgian register;
- Issue, suspend, revoke or limit Certificates of Airworthiness in accordance with PART 21 Subpart H or national regulation;
- Issue, suspend, revoke or limit Airworthiness Review Certificates in accordance with PART M Subpart I and C or national regulation;
- Issue Certificates of Airworthiness for Export in accordance with national regulation and the bilateral agreements;
- Approve Maintenance Programs in accordance with PART M Subpart C;
- Issue Permits to Fly in accordance with PART 21 Subpart P or national regulation;
- Issue Noise Certificates in accordance with PART 21 Subpart I;
- Perform oversight on certificates issued thru the ACAM program in accordance with PART M Subpart C and internal procedures, and ensure the general follow-up of the continuing airworthiness of the Belgian registered aircraft;
- Incident analysis and reliability follow up;
- Approve modifications and repairs for Annex II
- Issue Temporary Overflight Permits for foreign aircraft without an EASA or ICAO CofA;
- Issue type approvals for unmanned aerial vehicles;
- ...
